Re: File Closure for Exploration Notice, Sunshine Mining Company, Eureka/Zuma Project, E/049/021, Utah County, Utah

Dear Mr. Mellor:

This letter is to notify you that we are closing file E/049/021 for the Eureka/Zuma exploration project, located in Section 21, T10S, R2W, Utah County, Utah. No correspondence has been received by the Division for this exploration project since 1991. Division files indicate all project disturbances were reclaimed except for the Zuma portion which is included in the large mining notice (file number M/049/009).

If you plan to conduct mining activities in this area, you will need to submit the appropriate notice of intention and receive written approval prior to creating any surface disturbance.

If you have any questions or concerns regarding this action, please contact me at 538-5310 at your earliest convenience.

Sincerely,

Lynn Kunzler
Senior Reclamation Specialist
